

Certificate of Achievement

EUROMOVERS International Quality Management System (EUMO-I QMS)

MAGNA THOMSON International Movers

Johannesburg, South Africa

This company has participated in the **2019 Quality Benchmark**, of the **EUROMOVERS International** Service Network.

Regarding the performance of their 2018 household goods moving business, the a. m. company has been evaluated by several Experts of the Moving Industry.

A five-point evaluation system has been used.

Achievements:

Quality Aspect	Number of evaluating companies	Point value achieved (out of five points maximum)	Average of 65 different participating moving companies
Administration	6	4,67	4,47
Financial Responsibility	6	4,5	4,38

The company exceeded the average of all participating companies and has proven to deliver **EXCELLENT** service performances in all considered quality aspects.
